Exhibit 3**LEGAL NOTICE TO ALL EMPLOYEES**

The **Fair Labor Standards Act** provides that all employees must be paid **minimum wage** for all hours worked. In addition, employees must be paid **overtime**, at a rate of time and one half their regular rate, for the hours they work over 40 in a workweek. All employees, whether they are paid **hourly** or on a **piece rate** basis are entitled to overtime when they work over 40 hours.

**Regis Development** has settled a lawsuit with the **U.S. Department of Labor**. As part of this settlement, it has agreed to pay unpaid backwages owed to some employees. The Department of Labor will distribute these checks to the employees who are owed money. Nobody from the company can ask you for this money back, and no employee must return this money back.

Your employer wants you to know that it is committed to ensuring that all employees are paid overtime when it is due and in fully complying with all laws enforced by the Department of Labor. If you are not paid overtime, or if anybody associated with this shop tells employees to return their wages, please call the **U.S. Department of Labor at (602) 514-7100, or 1 866-4-USWAGE**. Your name will be kept confidential and not disclosed.
